I am an experienced teacher and have been teaching students of grade 5 to GCE Advanced level for the past 3 years. I have worked as a private tutor, teacher's assistant, and a lab assistant. I can give lessons both online and offline and can also help with understanding and building knowledge in several sectors. I am amiable and friendly, and I use different but certified teaching methods to make sure students are benefiting the most from my lessons. The primary subjects I teach are Mathematics, Additional Mathematics, Computer Science, Physics, Chemistry and English.

EXPERIENCE

2018 – 2020

TEACHER'S ASSISTANT, LORD'S INSTITUTE

I have checked mock papers, took substitute O level chemistry classes, invigilated, and checked official coaching exams, attended faculty meetings, suggested new and effective teaching methods in the classroom, and introduced fun and exciting summer learning programs.

2020 – 2021

INTERNSHIP, MOBICARE (ANDROID DEVICE'S SOFTWARE TROUBLESHOOTING) It

was a professional skill development program where I learned about mobile phone software. I was required to boot and upgrade the software of all mobile phones and was an assistant engineer in the service center. I have also returned stock to the floor and assisted with restocking of products as required.
